Our Vision
We are called to provide an exemplary Catholic Education.
Discipleship: With Christ as our light we aspire to nurture the whole person in a community centered on gospel values.
Learning: We are committed to providing an education that empowers all to become life-long learners.

Dear Parents and Friends

An extremely busy week with numerous learning activities worth celebrating in today's newsletter.

In extension, Year Five and Six Enrichment students were given the opportunity to select one eminent person and discover their experiences, interests, influences and challenges in life. This research culminated in the Evening of Eminence which was held in the Catholic Centre from 6:00pm - 7:30 pm on Monday 8th August. A large crowd of guests were invited to question the students about ‘their life’ and discover more through exploring their learning centres. The photographs below demonstrate the excellent standard they achieved.

Congratulations to Mrs Blake for facilitating students learning and providing “An Evening of Eminence” for families and friends of St Francis Xavier.

On Tuesday, St Francis Xavier hosted a Taiko drumming incursion, whilst students visited the Queens Park Theatre to view “Rags to Riches” production by Nagle Catholic College. Kindergarten, as part of people in the community program visited the Post Office yesterday. These experiences provided by staff ensure diverse learning experiences are provided to all students.

In addition to all these exciting learning events, check out the new St Francis Xavier website at the new: http://www.sfx.wa.edu.au/

God Bless
Ben Doyle

Lord God

**Monsignor Hawes Heritage Centre (MHHC) Volunteer positions**

The Monsignor Hawes Heritage Centre is adjacent to the Cathedral and includes a café as well as a Museum. The museum tells the story of Monsignor Hawes as priest and architect through interpretive panels, audio-visual presentations and artefacts. The Heritage Centre will also serve as a gateway to around 23 Monsignor Hawes buildings located from Carnarvon to Bindoon. The MHHC Volunteer has an important role within the museum.

The volunteer’s tasks include:
- Welcoming and assisting visitors
- Directing visitors to Hawes’ buildings in the Midwest
- Selling merchandise
- Cleaning and maintaining museum

The Volunteer would need to have good communication skills and a friendly disposition. An interest in the heritage of Monsignor Hawes and/or tourism would be an advantage.

The Centre is open 7 days a week from 9am to 4pm and we envisage volunteers being available for a half or full day at a time (but are flexible). Volunteers who are available on an ongoing basis would be preferred. Please call Kellie 0428 993 290 to register your interest.
