

St Francis Xavier Primary School

Geraldton Western Australia 6530

Wednesday, 11 May 2022

Dear Parents and Caregivers

The easing of restrictions has enabled COVID to spread in our community and school. Currently, we have multiple staff away as a result. Internal cover and relief are being used to ensure classrooms continue to operate however, a delay in responses from teachers may occur due to increased workloads or absenteeism.

A reminder that if children are sick to allow them to rest at home. In addition to COVID, there are other illnesses circulating as we enter cooler months.

RAT Tests

Our school has now received the WA Government supply of Rapid Antigen Tests (RATs) for use by your child if they become symptomatic or if they are close household contacts. Please be mindful that while these RATs are safe for use by children, they should only be administered under the supervision of an appropriate adult.

Any positive COVID-19 result should be reported on the school's COVID-19 Self-Reporting Portal <https://cewa-collections.powerappsportals.com/COVID-19-Self-Reporting-Form/> and positive COVID-19 RAT results must also be reported on the WA Health RAT Register, as is required by the WA Government.

RAT tests will be available for collection tomorrow, Thursday 12th and Friday 13th this week outside the administration, from 8:15am – 8:45am and again from 2:45 – 3:15pm at the conclusion of the day.

Book Club

Book Club orders are due this Friday, 13th May. All orders must be completed online;

<https://scholastic.com.au/LOOP>

Newsletter

And finally, the latest newsletter was published last week, however, we just forgot to tell you. It is available online now; <https://sfx.wa.edu.au/newsletters/>

If there are any issues that require our immediate attention, please contact the administration for assistance.

Regards

Ben Doyle

Principal
