

Athletics Information

The carnival will be held at the Little Athletics Club, Wonthella on Friday 1st September. The Carnival is an action-packed day with multiple events occurring simultaneously. To assist, an overview of events is provided below and maps are available on the school website. During team events, parents and caregivers are welcome to move and view the events.

Students are under the supervision of staff. To ensure student safety, we ask that parents and caregivers wait for the scheduled lunch break to celebrate their achievements with their children.
